SUBJECT

: Background Information for Discussion of the  
Inspector General's Survey of CIA Career  
Service at DD/S Staff Meeting, 4 May 1960

1. For the purpose of this memorandum it may be useful to consider problems of career service under three headings: purpose, membership and procedures. Perhaps these fundamental divisions will aid in establishing a common framework for consideration of divergent views and suggestions for action. The attached summary of the Inspector General's Survey has been made in these terms.

2. Included in the attachments is a summary of the responses of the DD/S Office Heads. Since it is difficult to accurately reflect all the views of eleven individuals by categorizing them in a single report, we have described here only the common themes which ran through many or most of the responses.

3. Attached also are the views of the DD/S, submitted in general and philosophic terms, not as responses to specific recommendations made by the Inspector General.

4. It is hoped that the response of the Director of Personnel to the Inspector General's Survey, already forwarded to you, plus these three attachments will give sufficient background material for a constructive discussion at the DD/S Staff Meeting on 4 May.
